Just before Waddell died he confessed that he had waylaid and killed his friend Perry over the payment of a debt of \$130. Perry's body was accidentally discovered by Messrs. G. W. Judy and C. F. Clay, of this city, who were fishing in Tygart creek.

## Turnpike Topics.

Six toll-gates are being guarded in Mercer county and tax-payers are alarmed at the expense incurred. There are over fifty gates in the county, and guards at all of them would mean the financial ruin of the county.

Free turnpike advocates in Garrard county have called a convention for June 28 to nominate a county ticket.

Saturday the Garrard Fiscal Court leased the turnpikes of Garrard, until December 1 at a sum equal to the toll collected for the same time last year, amounting to about \$5,000. The deal will save the county \$30,000, as guards at the gates would have cost that much more for the time. The roads are kept in repair by the stockholders.

A dispatch from Carlisle says: "The Fiscal Court of Nicholas County has rejected W. W. Baldwin's proposition of \$38,000 for the 16 miles of road, and Baldwin has applied for guards under the new law to protect his gates, which will be put up to-morrow."

Tollgate anarchists burned a fine bridge Friday night in Mercer county, and notified the turnpike directors that their homes and barns will be burned if the gates are continued.

STRAW MATTINGS will go up in price soon but J. T. Hinton has a big assortment that he is selling at low prices. The new tariff will raise the price soon, everywhere.

ESPECIAL care is taken with ladies shirt waists at the Bourbon Steam Laundry. (8mytf)

## NUPTIAL KNOTS.

Engagements, Announcements And Solennizations Of The Marriage Vows.

Marriage licenses were issued yesterday to John Dean and Miss Katie Doyle, and Innes Ross and Miss Sallie Parker.

Karl Thome, the Louisville bicyclist, and his sweetheart, Miss Elizabeth Jones, eloped on a tandem Sunday and were married in Jeff.

A few nights ago Simpson Wilder, 18, attempted to steal his sweetheart, Miss Betsy Jones, away from her Madison county home in romantic style. Just as he had put a ladder up to her window, the girl's father came out and spoiled the romantic elopement by putting a load of shot into Romeo's hide.

The following invitation has been received:

Mr. and Mrs. William P. Ross invite you to be present at the marriage of their daughter Martha

to Mr. Farris Templeman, Wednesday afternoon, June 23rd, at five o'clock, Presbyterian Church, Carlisle, Ky. 1897.

The marriage of M. John Dean, a valued employe of the Adams Express Company and a well known young man, to Miss Katie Doyle, will occur to-morrow morning at half-past six o'clock at the Catholic Church. The ceremony will be performed by Rev. Father Burke. The bride, a most amiable young lady, petite and pretty, modest and gentle, will be attired in white. Mr. Ed Burke, of this city, will be best man, and Miss Mamie Slavin, of Lexington, will be maid of honor. The bride and groom will leave on the 7:55 L. & N. train for a brief trip to Cincinnati and perhaps other cities. Countless good wishes will be extended to this popular young couple.

The new invoice of lace curtains just received at J. T. Hinton's are the very thing for the windows these Summer days. All the patterns are choice—better look at them.

## Money For Bourbon People.

THERE should be a good lot of money in circulation in Bourbon before many days.

The harvesting of the crop of bluegrass seed, which may be finished this week, will put in circulation about \$5,000 which will be paid to the men, (mostly colored) who gather the seed. C. S. Brent & Bro. alone have about eighty hands employed and their pay roll will be at least \$1,500 this week. At 25 and 35 cents per bushel, the crop estimated at 150,000 should net the growers about \$40,000.

Four and one-quarter and four and one-half cents per pound which Moses Kahn has paid for 1,016 cattle which average about 1400 pounds would bring about \$70,000 to the farmers who sold the stock.

It is estimated that Bourbon farmers have lately sold about 1,000 walnut logs, which would add about \$10,000, and 174 cents per pound which was recently paid for the Bourbon wool clip (about 70,000 lbs.), would add upwards of \$15,000 to the wealth of the county.

The carpets offered at J. T. Hinton's are of the best wearing weaves and fashionable patterns—and for very little money.

Always The Latest And Best Machinery And Therefore The Best Work.

If there is any improved machinery invented for doing more perfect laundry work just depend upon the Bourbon Steam Laundry putting it in. Their latest additions are: A high-graded shirt-starcher, which precludes all injury to the most delicate fabric and insures uniform work; and, a new collar and cuff ironer which enables us to give either a high-gloss or domestic finish on collars and cuffs.
